SIDDHANT SHARMA

B.Tech (Internet of Things Engineering)

+91-6266494506 siddhantsharmab@gmail.com linkedin.com/in/yourprofile github.com/yourgithub

SUMMARY

Motivated B.Tech student specializing in Internet of Things with strong foundations in Data Structures & Algorithms, Full Stack Development, FastAPI, AI and IoT. Seeking software engineering opportunities to build scalable products while continuously improving problem-solving skills.

EDUCATION

B.Tech in Internet of Things
Madhav Institute Of Technology and Science – Deemed Universiy Gwalior CGPA: 7.91
2024–2028

Class XII
St. Charles Higher Secondary School – Shivpuri 2022-2023 84%

Class X
St. Charles Higher Secondary School – Shivpuri 2020-2021 87%

ACADEMIC PROJECTS

AI Resume Shortlister
- FastAPI backend with semantic resume matching.
- Sentence Transformers + MongoDB.
- ATS-oriented resume ranking system.

Wearable Fitness Tracker
- ESP32, MAX30102, MPU6500, Blynk IoT.
- Heart rate and activity monitoring.

CERTIFICATIONS

- NPTEL (Add Here)

POSITION OF RESPONSIBILITY

Training & Placement Coordinator
MITS Gwalior

TECHNICAL SKILLS

Programming
C, C++, Python, JavaScript

Web
HTML, CSS, React, Node.js, Express.js, FastAPI

Database
MongoDB, MySQL

Core Subjects
- Data Structures & Algorithms
- Object-Oriented Programming
- DBMS
- Operating Systems

ACHIEVEMENTS

- Solved 150+ DSA problems.
- Built AI Resume Shortlister.
- Developed IoT-based wearable tracker.
